EXECUTIVE SUMMARY
ONSITE ACCESS LOCAL, LLC
DOCKET NO. T-03881A-01-0536

- OnSite Access Local, LLC.
- Requests cancellation of its Certificate of Convenience and Necessity.
- Authorized to provide competitive resold and facilities-based local and interexchange telecommunications services in Arizona.
- To discontinue service, abandon its authority, and revoke its tariffs in Arizona.

Introduction

On July 2, 2001, OnSite Access Local, LLC ("OnSite" or "Company") filed an application with the Arizona Corporation Commission ("Commission") requesting approval to cancel its Certificate of Convenience and Necessity ("CC&N"). OnSite is discontinuing its authority to provide competitive resold and facilities-based local and interexchange telecommunications services in Arizona.

Background

On September 18, 2000, the Commission, in Decision No. 62895, originally granted a CC&N to OnSite to provide competitive resold and facilities-based local and interexchange telecommunications services in Arizona.

OnSite filed an application with the Commission seeking approval to cancel its CC&N in Arizona. OnSite requests Commission approval to discontinue the provision of telecommunications services, abandon its CC&N, and revoke its tariffs in Arizona. In its application, OnSite stated that it has filed for bankruptcy protection.

Staff Analysis

OnSite indicated to Staff that it never provided service in Arizona and it does not hold any advances, deposits and/or prepayments. As a result, there are no funds from Arizona customers that would be at risk by cancellation of OnSite's CC&N. Also, Staff believes that the provisions of R14-2-1107 would not apply in this matter, as OnSite has never served any customers in Arizona.

Since OnSite has never served customers in Arizona and there are numerous other carriers offering similar services, Staff believes that granting this application for cancellation of OnSite's CC&N is in the public interest.

Recommendations

Staff recommends cancellation of OnSite's CC&N.

Staff further recommends that the application be approved without a hearing.

Upon cancellation of its CC&N, OnSite will no longer be authorized to provide competitive resold and facilities-based local and interchange telecommunications services in Arizona and will no longer be subject to any of the requirements of Decision No. 62895.
